*Your support of NEIGHBORING
helps build a stronger community
- One person at a time.*

Dear Friend:

We are writing to ask for just a minute of your valuable time. NEIGHBORING Mental Health Services is hoping that you will participate once again - - or perhaps for the first time - - in our Annual Appeal.

Each of us has a role to play in the life of our Lake County community and in the lives of those who suffer from personal afflictions beyond their control. During these difficult economic times, family members, friends and neighbors are being confronted with many stresses and challenges. Many families find themselves in unfortunate and emotionally difficult situations they have never thought about or had to face before now. And as stress levels rise, even more individuals turn to agencies like NEIGHBORING Mental Health Services for help. We assist these people in navigating "uncharted waters" for solutions to their mental health crises or those of their loved ones.

NEIGHBORING Mental Health Services provides life-saving outpatient services such as psychiatry, counseling, case management, support groups and supported employment. Our services help people put the fragile pieces of their lives back together in a respectful and encouraging way. This kind of support improves the quality of life for all those we serve and allows those individuals to return to a productive, independent life filled with pride and dignity.

We are writing to ask you to consider making an end of year tax deductible donation to support the mission and critical services available via the professional staff at NEIGHBORING. Enclosed is a response envelope for your convenience. Your generous gift will make a big difference in the lives of many of your neighbors in Lake County. Please consider a donation at this unique and special time of year. Thank you!

Sincerely,

Jeanne Lipps
Board President

Spence Kline
Chief Executive Officer

NEIGHBORING is an IRS approved 501(c) (3) tax exempt organization. Please consult with your tax advisor for advice about the tax deductibility of your donation.
