

**Do you have trouble breathing when it is hot outside?**

**Do you need help paying your electric bill this summer?**

If you answered yes to any of these questions, you *may* qualify for the Home Energy Assistance Program Summer Crisis Program (HEAP SCP).

The HEAP Summer Crisis Program begins July 1 and runs through August 31, or until funds are exhausted. The SCP is designed to help qualified households pay for summer cooling.

Through the SCP, eligible households can receive a one-time payment of up to \$175 on electric bills OR an air conditioner.

Households must have a gross income that falls at or below 200% of the federal poverty level AND meet one of the following eligibility criteria: either have a household member who is over the age of 60 OR provide original physician documentation of medical necessity.
